Path to the point where the memorial would be located.

Location of the memorial. A few trees would need to be removed and some fill and leveling would need to be done after the seawall is built. Pictures of a similar seawall are next three slides.

Seawall at Auke Rec

Our memorial site wouldn't be as elaborate. It would be smaller, might have two trees, a bench, and a plaque.

Another view.

Proximity to the cable crossing
ATON (aid to navigation), and
view down the beach.

Thank you so very much for
making considerations about our
memorial site!
